ABOUT US

Established in 2019, the Sutton Rangers First Team currently plays in the West Cheshire Division 2, and our reserve team (founded in 2023) currently plays in the Chester & Wirral Championship. We now have a womens team (founded in 2024) playing in the Cheshire Womens Championship and a Sunday team (founded in 2025) playing in the Chester Sunday League. Our Home ground is the Ellesmere Port Sports Village (BRIO), where we provide our players with incredible facilities, including ample room for supporters. We are a highly ambitious club; having gained our England Two Star Accreditation in early 2023, we now look to grow the club further by improving our teams and acquiring our very own home ground, with the aim of getting higher in the football system.

HISTORY

Sutton Rangers formed as a Monday night flexi team in December 2019 between school friends. We competed in the Powerplay Flexi League for two seasons. The club grew and evolved into a Saturday league side in 2022. Entering the Chester & Wirral Championship Division, the squad grew extensively, allowing us to form a reserve team for the 2023/24 season.

During the 2022/23 season, the club attained an England One Star Accreditation.

The 2024/25 season brought the club its first silverware with the league and cup double. The first team won both the West Cheshire Div 3 league and the Deadwood Arborists Cup. In our first year as a West Cheshire club. This season also saw the introduction of our Womens team who are now competing in their second season in the Cheshire Womens Championship.

With the 2025/26 season currently underway we have seen the introduction of our Sunday team who are competing in the Chester Sunday League.
